POSITION HOLDERS AT PSCC BATRASI**

Respected Sir,

I trust this letter reaches you in the best of health and unwavering spirit.

Pakistan Scouts Cadet College Batrasi (PSCC) stands as a beacon of excellence in residential education, proudly nurturing future leaders of Pakistan. With students from every corner of the country and even abroad, PSCC is a living symbol of national unity — a vital pillar for the strength and progress of our beloved homeland.

Over the years, our graduates have consistently demonstrated distinction in various fields, with many serving the nation selflessly both in civil sectors and the Armed Forces. The college has earned its reputation as a grooming ground for disciplined, visionary, and patriotic citizens. Our contributions to national integration, character building, and leadership development are both substantial and enduring.

In continuation of our commitment to recognizing and uplifting exceptional talent, PSCC Batrasi has launched a prestigious, fully-funded scholarship program for students who secure top three positions in the Matriculation examinations. These outstanding students will be granted admission in 1st Year with full fee waivers, premium boarding and lodging, and access to state-of-the-art academic and sports facilities — all in an environment designed to cultivate excellence.

We believe that such deserving talent must be celebrated, nurtured, and given every opportunity to flourish. Therefore, we earnestly request your esteemed office to disseminate this exceptional opportunity among the top-performing students under your Board's jurisdiction. Your cooperation in this regard will play a pivotal role in ensuring that no brilliant mind is left behind due to financial or logistical constraints.

Your support will not only empower individual students but will also contribute significantly to nation-building through education.

Regards,

Acting Principal
(Qazi Taimur)
